THE LOGICAL CONCLUSION

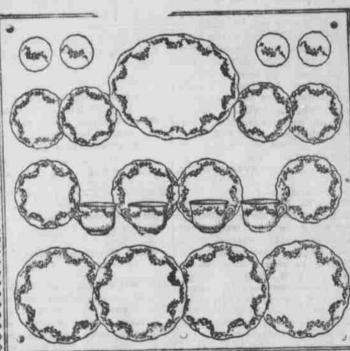

A little girl was walking along the street with her mother, when she saw a one-armed man. It was the first time in her life that she had ever seen a man without an arm, and she wanted to know all about it. Her Don't speak of coffee as mother explained in answer to her old and stale. It isn't time questions that the man had probably met with an accident of some kind and that his arm would never grow posure to air and all there back. The little girl thought for a noment, and then said:

"Well, if the Lord made us, it seems to me like He ought to keep us in repair."-Judge
